REPORT NO. 1 OF THE BOARD OF EDUCATION

Dear Brethren of the Conference:

We, your Board of Education, of the South West Missouri Conference submit the following as report number one:

We have had under consideration reports concerning the Christian Education Movement from the General Board of Education and from the Conference Educational Secretary, and respectfully offer the following recommendations:

First: We are gratified at the splendid progress that has been made towards the attainment of the five objectives of the Christian Education Movement. When all of the conditions are taken into account we believe that what has been accomplished is little short of marvelous. It is a great tribute to the faithful service and loyalty of the preachers and people participating.

Second: We desire to emphasize that the campaign is not closed and must not be until the entire quota for this conference is raised. If our institutions needed \$33,000,000 a year ago the Movement has multiplied that need by awakening in our people a desire for Christian Education. The schools of our church last year turned away 5000 for lack of facilities; they probably have lost much more heavily this year for the same reason. We are, therefore, in the midst of an incompleting task. Every charge in Methodism has been assigned a definite part in a great co-operative effort of the church to solve its educational problem, and it is hereby declared to be the policy of the South West Missouri Conference that each charge regard as its goal the amount originally assigned to it.

Third: That the Presiding Elders in the first round of quarterly conference in answer to the question: "What is being done for Christian Education?" secure accurate reports from pastors and church collectors or directors concerning the quota and the amounts already subscribed and concerning the general economic condition in each charge. We further recommend that wherever practicable arrangements be made to finish the

Every Member Canvass in churches which have not raised their quotas. The full amount of each quota subscribed if possible by the General Conference of 1922.

Fourth: That Rev. R. N. Allen be appointed as Conference Educational Secretary.

Fifth: We urge that our people pay promptly their educational subscriptions when they fall due, that pastors and presiding elders do what they can to secure prompt payment, and that as most subscriptions fall due November first, we fix the first week in November as "Pay-Up Week." The schools and colleges of our conference are sorely in need of money and as a means of relief of the co-operation of the pastor, presiding elder and people is urged in an effort to secure the prompt payment of pledges.

Sixth: That if church collections in any charge or charges have not been appointed, they should be elected at the first Quarterly Conference of the ensuing year.

Seventh: That where the original pledge cards have not been sent to the Educational Secretary, the pastor arrange to have them sent in at an early date.

A. L. SCALES, President
G. L. COFFMAN, Secretary

REPORT NO. 2 OF THE BOARD OF EDUCATION

We find after carefully studying the reports of our Educational Institutions that we have reason to believe that gratifying progress has been made.

Southern Methodist University

The Session of 1920-21 of the Southern Methodist University has been the most successful in the history of the University. The enrollment in all departments, except the School of Music, has been larger than ever before and the Spirit of the School has been more nearly ideal. The total enrollment for the past year has been 1341. We assure the school of our loyal support and prayers.

Department of Ministerial Supply and Training

In this department, the past year has been declared by our bishops to be the best in the history of the church. The whole church has reason to thank God for the step upward and forward in the Christian Education

Movement. Our gratitude to God for the response of the volunteers for life service, should be unbounded. 1361 names have been received for the ministry, 1212 for home missions, 792 for foreign missions, 1121 were undecided.

The Correspondence School

This school has been doing its usual excellent work in its two branches at Emory and at Southern Methodist University under the guidance of directors W. J. Young and J. L. Cunnigim. All who take the correspondence course and expect this Board to pay the tuition, are requested to make application in writing to the Board if in session or to the President in the interim of the Conference.

Our own Conference institutions, Central College, Fayette, Central College for Women, and Scarritt-Morrisville, deserve more attention than the limits of this report will permit. They have done splendid work and are starting the new year with crowded class rooms. It is gratifying that Scarritt-Morrisville has re-opened and is starting the new year with 65 students.

We Recommend for Appointment: Z. M. Williams, President of Central College for Women; J. J. Copeland, President of Scarritt-Morrisville College; Perry S. Rader and A. T. Dumm, Curators for Central College, Fayette; F. T. Jared for one year as Curator of Scarritt-Morrisville College in place of J. J. Orton resigned; J. E. Alexander for the same school in place of J. B. Ellis, resigned; C. G. Martin for two years and the following for three years: I. A. Ewing, Mrs. Fred A. Lamb, also Hon. Frederick D. Gardner and J. R. Dominick for three years as Curators of Central College for Women. R. C. Edwards as student in Southern Methodist University; C. B. Duncan to the chair of Sociology in Scarritt Bible and Training School; Ed. F. Cook, associate secretary of the General Board of Education, and we ask that his name be substituted for that of B. B. Pennington on the Board of Education. W. E. Sullens as student to Yale University; James Fielding Winton, student in S. M. University; Willis Merrill Staubus as student to Union Theological Seminary; Walter G. Strader as student to Scarritt-Morrisville College; L. M. Starkey as student to S. M. University.

The following are the appropriations:

Student Pastor, Columbia	600.00
Expenses of the Board	250.00
Preachers' Institute	200.00

REPORT OF COMMITTEE ON EVANGELISM

To the President and Members of the Southwest Missouri Annual Conference; Dear Brethren:—

Your Committee on Evangelism is thoroughly convinced that the greatest need of the church and of our conference is a deep, wide-spread, revival. There is a great awakening and there are many coming into the church. This conference year we have received 2319 on profession of faith and 1806 by letter and otherwise. However we have not yet received that great Spiritual Baptism which is essential to the accomplishment of the great purposes of the church to which God is calling us.

The Centenary and Educational Movements within the church have opened doors of opportunity and revealed resources of the church of God such as we have not seen before. Opportunity is everywhere. God is speaking to us in terms of World Conquest. Yet in all these appeals He is saying to us: "Not by might nor by power but by my Spirit saith the Lord of Hosts."

The great masses in the church cannot be aroused to the stupendous task before the church except in a great revival. There the indifferent are awakened, backsliders reclaimed and sinners converted, making the zeal of the church press the great work of the Lord.

If Lecky could say that the Wesleyan Revival saved England from a revolution more terrible than that had visited France may we not claim that a true Christian awakening is the only possibility of saving the feverish, nervous and doubting world of today.

Therefore we exhort our preachers to set apart a special hour of prayer for each day in which they shall pray for a great revival through the whole church and especially in his own charge. Further that the preachers organize the forces of their respective churches for an intensive campaign for a real revival of religion in their own charges.

Respectfully,

J. B. SWINNEY, Chairman

REPORT OF THE BOARD OF CHRISTIAN LITERATURE

Dear Brethren:

Your Board of Christian Literature submits the following report:

Sunday School Literature. We recommend the use of our own literature, as it is maintained at a high standard without a superior.

Missionary Voice. This organ of the connection is very useful and instructive and is our only missionary organ. We urge its circulation.

Epworth Era. This is the official organ of the Epworth League, and is a very high-class periodical, essentials to the young life of the church. It deserves a greater consideration at our hands.

Christian Advocate. This general organ of the church is worthy of the support of all Southern Methodists. It maintains a high standard as a Christian paper.

The Methodist Review. This publication takes its place among Christian reviews of high standing. It should be in the study of every Methodist preacher and in all Methodist homes. We therefore recommend its circulation.

The St. Louis Christian Advocate. While we sincerely regret to lose the valuable gifts and services of the former editor, of the St. Louis Chris-

tian Advocate, Dr. A. F. Smith, we are fortunate in securing the present strong editorial staff, consisting of Dr. G. B. Winton, Editor-in-Chief, and Rev. C. O. Ransford, Associate Editor. We anticipate not only a continuation of the present high standard of the paper, but even a better Conference organ.

We appreciate the unselfish service rendered the paper by Hon. Perry S. Rader, Chairman of the Board of Trustees.

We recommend a hearty support of both preachers and laymen of the policy herein set forth for the enlarged circulation of the Advocate.

1. An assessment of eleven hundred and twenty-five dollars (\$1125.00) is hereby made for the support and maintenance of the St. Louis Christian Advocate, to be apportioned among all the charges in the usual way.

2. It is hereby declared to be the sense of the Southwest Missouri Annual Conference that the number of two-dollar subscriptions to the St. Louis Christian Advocate be increased to fifteen thousand (15,000) and maintained at not less than that number at all times.

3. The Southwest Missouri Annual Conference assumes the obligation to obtain enough new subscribers to the St. Louis Christian Advocate to make the entire number within its bounds 4500, and the further obligation to maintain the number at 4500 at all times by securing renewals from existing subscribers as their subscriptions expire.

4. The number of subscriptions apportioned to the different districts is as follows:

Joplin District	550
Kansas City District	1175
Marshall District	800
Nevada District	650
Sedalia District	750
Springfield District	575

5. The presiding elder and the district stewards, at the same time they apportion other Conference assessments, are requested to apportion the districts's quota of subscribers among the various charges in the district, and it is hereby declared to be the obligation of each of said charges to maintain its said quota at all times by securing enough new subscribers and renewals of existing subscribers to make the amount of money paid in subscriptions during the year equal to twice the number of the charge's quota of subscribers.

6. The month of November is hereby declared to be St. Louis Christian Advocate Month, and during that month each pastor is requested to

present the cause of the paper to each congregation in his charge and make whatever effort is necessary and appropriate to secure the charge's quota of subscribers.

We call attention to the excellent tracts and leaflets issued by the Board of Christian Literature. We suggest that our pastors make a circulation of this literature in their charges, feeling that the Christian life can be effectively built up thereby.

We have doubts concerning the wisdom of launching the periodical known as "The Educational Journal." We consider that the channels of reaching the people through the regular organs of the church are sufficient for every need.

REPORT OF THE BOARD OF CHURCH EXTENSION—1921

To the Bishop and Members of the Southwest Missouri Conference:

Dear Brethren:

The Board of Church Extension begs leave to submit the following report:

The Board regrets very much to communicate to you in this report the facts concerning our utter inability to meet the needs of the several charges making application for a donation, but we feel that this information is due the church.

Owing to the fact of an over-appropriation of \$863.00 in September, 1920, a \$1,000.00 donation had to be paid before we could appropriate the funds available this year. Our askings this year amounted to \$4,350.00. All of the claims were considered worthy by the Board. If we could have done so, we would have paid in full every dollar asked for, but how could this be done with available funds of only \$1,337.00 to appropriate. Our funds were sufficient to pay only thirty per cent of amounts asked for. All claims appearing to be equally worthy, the Board decided that every applicant ought to share alike, then no one could say they had been discriminated against. If there is a skeptical one among us, let him take pencil and paper and figure it out for himself.

Again and again we have urged our people to insure church property against damage by fire. An application was before us this year for a do-

nation to assist in rebuilding where the church had been destroyed by fire and not a dollar of insurance was carried. Let us suppose that this congregation had carried a policy of five thousand dollars on this church for twenty years, paying a yearly premium of \$25.00, they would have been \$4,500.00 to the good.

In view of the fact that our people are not informed as to the correct situation concerning the affairs of Church Extension and the great need of a conference wide awakening, we intend to insist that this Board get a hearing at each district conference. The Board has instructed the Executive Committee to arrange with the presiding elders for this matter.

Dr. S. H. C. Burgin, the General Secretary, was with us again this year, more eloquent, enthusiastic and zealous for the great cause of Church Extension, than ever before. His wise counsel, big-hearted brotherliness and stirring appeals we doubt not has inspired us all to give Church Extension a better chance during the ensuing Conference year.

REPORT OF THE EPWORTH LEAGUE BOARD

This Board enters upon the closing year of the present quadrennium more firmly convinced than ever of the primary importance of the cause which it represents. There is no task nearer the heart of the Church than the conservation and development of the Christian energies of our young life.

The Epworth League is the opportunity of the Church to lay hold upon its young men and women with a hand of intelligent strength. It is the best opportunity which the Church can give the many who are outside to discover the meaning of the Christian life and to come into vital contact with its work.

We greatly deplore the many varieties of indifference and discouragement which the Epworth League is compelled to face. Not only is an occasional pastor indifferent, but, too often, the young people themselves, even when they have a League organization, are indifferent or worldly minded and unwilling to pay the price which will enable the League to be a Spiritual force.

And sometimes there are circumstances untoward, even when pastor and young people are interested, which militate against the success of the work. Greater carefulness in the matter of the age limit and the gradual but certain development of a spirit of responsibility in the younger Christians should be the constant aim of the older ones whose hearts are truly in the work.

The work of the League can be greatly promoted by a more diligent use of the various institutions of a Connectional Character. Providing, as it does, for Conference and District Organization, the Church has a right to lend every encouragement and adopt every promoting means whereby these may be at their best. The Conference Board no doubt has responsibilities which it either does not understand or does not care to exercise. The General Board must be commended for its splendid and untiring service under the consecrated and capable leadership of Dr. F. S. Parker, Mr. E. O. Harbin and the others at the Central Office. The Presiding Elder of each District, being a link in the Chain of Connectionalism, has possible Capacities which too often maybe are allowed to remain dormant.

We would respectfully and affectionately urge upon our Presiding Elders the fruitful possibilities of diligent inquiry into the work of the League in their various charges. By this means the State and Conference organizations may be able to secure helpful information of a reliable character without multitudinous and often disappointing correspondence.

The past twelve months have been prosperous in all that pertains to the League. Institutes have been held in Districts which never held them before. Many young people were at the Summer Conference for the first time. Pastors and Presiding Elders have shown a new and deeper zeal than ever before. Life Service Volunteers, Missionary Contributions and General Church Support have been most satisfactory.

We desire to give special mention to the thoroughly efficient and genuine service being rendered our young people by Rev. Ernst T. Raney in his capacity as editor of the Epworth League department of the St. Louis Christian Advocate.

We also have pleasure in a formal recognition of the vigorous, intelligent manner in which Mr. E. R. Bayley, State President, is entering upon his first year. We desire to assure him of the hearty support of this Board in all undertakings wherein it has ability to be of service.

We wish to express our deep appreciation to the Conference Finance Commission for being allowed to share in the Conference Budget the past two years. Because of this aid we were enabled to offer a program of the highest class at our Summer Conference; the State organization has been in position to do some very effective field work, the Conference Board President has been privileged to attend the Church-wide Presidents' meeting, and a character of dignified respectability has been given our work generally. We respectfully ask the privilege of being permitted to continue to share in this fund, feeling that we will be able to show yet larger returns in the future.

As the representatives of the group of our Church membership most vitally concerned we desire to express our appreciation of the re-opening of the School at Morrisville. We feel that the Leagues of the Conference could do no finer thing than to assume some definite share in the work of establishing this school on a firm foundation.

We are glad to pledge anew the hearty support of all Leagues for the cause of Missions, Education and Evangelism and to commend the many who so unsparingly and untiringly are making this support a reality.

REPORT OF COMMITTEE ON SUNDAY SCHOOL BOARD

Brethren:

Your Snuday School Board requests a place in the prayers of the brethren the coming year. We hope conditions will be such that our Sunday School will be able to continue going forward.

The Board has funds in hand to aid Mission schools. We will continue to supply Sunday School Day program as we have done heretofore.

Attention is called to the periodicals of our church. We now have a complete list for every department of the Sunday School. We call especial attention to "The Church School," acknowledged to be the best magazine in America for the Sunday School. Three new papers will make their appearance, beginning the first of 1922.

According to the report of the Inter-Church World Movement there were in the State of Missouri in 1917, 1,749,090 children and young people under twenty-five years of age. Of this number 1,426,300 were Protestant and 883,490 or a little more than 62 per cent of these were receiving no religious instruction through the regular agencies of the church. Add to this the fact that a large proportion of those who do belong to the Sunday School attend very irregularly and receive very inadequate religious instruction and the further fact that the one-third of the children and young people who do attend Sunday school furnish at least 85 per cent of our church members, and it will become immediately apparent that the situation presents at once a danger to our civilization and a challenge to the Church.

REPORT OF COMMITTEE ON AMERICAN BIBLE SOCIETY

Dear Brethren:

We, your committee, submit the following report of the work of the American Bible Society:

We note with interest the growth of the work of the American Bible Society from year to year, that the society is not only helping greatly to create a demand for the Scriptures, but that they have met the demand so well, considering the funds at their command.

We are glad that our church has a part in this splendid work and would urge the brethren, whenever it is possible, to direct special gifts to this worthy cause.

The three per cent of our Connectional Fund, which is set apart for this work, will amount to approximately \$661.00, which is \$100.00 less than was realized last year.

We would furthermore recommend that the brethren devote at least one service during the year to the work of the American Bible Society.

Respectfully submitted,

M. C. MAGERS, President

BARNES HOSPITAL

Your Committee on Barnes Hospital reports as follows:

There have been referred to us reports from the College of Bishops on Barnes Hospital, from the Chaplain of that institution, and from its Trustees.

These documents bring to us information that is interesting and gratifying. During the year of 1920 the number of patients treated was 3,643 and the total number of patients days treatment was 54,118. Of this large number nearly one-fourth paid absolutely nothing for food or care and a considerable per cent of the others paid only in part. They were made up of thirty-two different nationalities and a statement of their religious adherence revealed twenty-three denominations.

Since the first of last year the chaplain has been visiting the Hospital daily and has found on the part of many of the doctors and nurses, and certainly of the patients, an eager desire for religious instruction. On Sun-

day afternoon he conducts services in the Hospital chapel, which are gladly attended by convalescent patients and such young doctors and nurses as are not on duty at that time. During the past three months he has made approximately two thousand visits to rooms and wards bringing spiritual comfort and guidance to the sick and the dying.

We are deeply gratified that the Trustees have secured Rev. Alfred Franklin Smith, D.D., for this important work of Chaplain, and that Bishop Murrah has appointed him to that position.

We note the appeal of the Trustees for many more young women to enter the Nurses Training School and that our pastors direct suitable persons to that calling and to Barnes Hospital for training and service.

Realizing the great opportunity for service that has come to our Church through the gift to it of this magnificent hospital and the responsibility which it entails, we would instruct our Commission on Finance to include in the Conference Budget \$2,000 for the support of a Chaplain and to apportion this sum to the various districts on the same basis as the other assessments are distributed.

REPORT OF COMMITTEE ON TEMPERANCE AND SOCIAL SERVICE

Dear Brethren:

We, your committee on Temperance and Social Service, submit the following report:

I. Temperance

We most earnestly call your attention to the deplorable conditions in many quarters arising from the malicious violation of the eighteenth amendment and enforcement laws through the illicit manufacture and sale of intoxicating liquors, and we urge that the members of this Conference make every effort to arouse the people from their indifference and create a public sentiment, which will be definitely active in the support of every agency for the enforcement of the prohibition law.

We most heartily endorse the work of the Anti-Saloon League in its efforts to this end and we recommend the appointment of Rev. W. T. McClure and Mr. C. C. Carson as Trustees of the Anti-Saloon League.

II. Gambling

We call attention to the fact that games of chance or gambling are becoming extremely common even in our rural communities, and that there is little, if anything at all, being done by local officials to suppress this real and tragic evil. Let us warn our people of its dangers and urge them to do all in their power to create a public sentiment which will be active in its opposition to this now common practice.

III.—Sabbath Observance

We recommend:

1. That this Conference in harmony with the Missouri and St. Louis Conferences endorse the work of the Lord's Day Alliance of Missouri, as an auxiliary if the Lord's Day Alliance of the United States, which has for its object the maintenance and protection of the Sabbath as a day of rest and worship.

We furthermore express our approval of the work of Rev. Marvin T. Haw, D.D., and Mr. R. W. Brooks as the official representatives of our church on the Board of Managers of the Lord's Day Alliance of Missouri.

IV. Social Service

We call the attention of the members of the Conference to the fact that paragraph 113 of the Discipline especially provides for a Social Service Committee in each church. We express it as our firm conviction that this is a wise provision and practical for every church.

We submit it as our judgment that all social service must have at least a two-fold objective; (1) It must be zealously active in its effort to redeem the unfortunate and outcast whether from the slums of the city or from corresponding conditions in the country parts. (2) It becomes the duty of this committee to provide suitable amusement and recreation for the young and adequate social life for the more mature.

V. Disarmament

We note with pleasure the world-wide agitation of the question of permanent world peace through the reduction of armament. We believe that disarmament or at least a reduction or limitation of armament to be a sure, safe-guard of world peace, and we most heartily commend the statesmen of the different nations and especially those of our own nation for their efforts to bring about a conference of the nations looking to this end.

Let us most earnestly pray that disarmament shall become the policy of the nations rather than extensive military preparation, which inevitably leads to the cruel ravages of heartless war.

REPORT OF METHODIST BENEVOLENT ASSOCIATION

The Board of Directors beg leave to submit the following report:

At the close of the fiscal year ending September 6, 1921, the permanent endowment of the Association amounts to \$34,444.69. The treasurer turned over to the Board of Finance of the Conference at the present session check for \$1,852.14 to be added to the support of the Conference Claimants.

The Board of Directors adopted the following rules governing the Superannuate Relief Club:

First. It is hereby declared to be the policy of the Methodist Benevolent Association that pledges from 2,000 persons be obtained who will pledge themselves to pay one dollar each year as often as any effective member of the Southwest Missouri Annual Conference is placed upon the Superannuated list and as often as any member in the effective service dies.

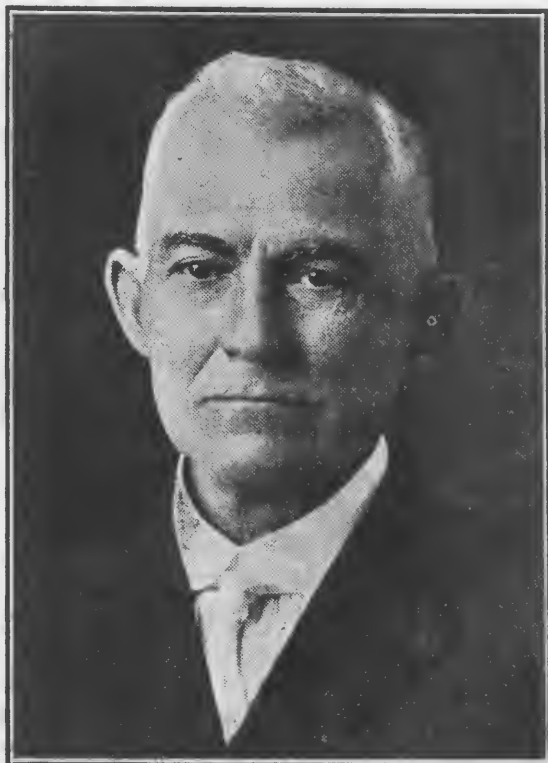

Second. That as much as one thousand dollars paid in on said pledges shall be set aside for the use and benefit of said member, who has retired, or the widow of the effective member who has died, to be paid in money or held and invested for her use, as the Executive Committee shall direct, and that all sums obtained above one thousand dollars shall be used and applied as the Board of Directors shall from time to time direct.

REPORT OF THE COMMISSION ON WESTERN ASSEMBLY

To the Annual Conferences in Missouri, Oklahoma, Texas, Louisiana and Arkansas:

We, the Commissioners appointed to represent the Methodists of Missouri, Oklahoma, Texas, Louisiana and Arkansas, in their purpose to establish an Assembly West of the Mississippi River, met at Ft. Smith, Ark., March 17, organized and adopted a paper setting forth our plans and purposes, and appointed an Executive Committee to study the situation, receive propositions, and submit them to the whole Commission at an early date.

After the nature and magnitude of the enterprise became known, it created much interest. Some twenty places negotiated with the Executive Committee. Of these fifteen were considered June 21. The committee visited these and eliminated six largely on account of their distance from the center of our territory. Other commissioners then visited the nine selected for further examination, and the commission met at Fayetteville, Ark., Aug. 25, and having heard representatives of the several communities decided that, in view of the different types of location and propositions, five, namely Neosho, Mo., and Fayetteville, Magazine Mountain, Rogers, and Siloam Springs, Ark., were worthy of fuller consideration, with a view to discovering, before final action, all the detail of water supply, health, climate, value of property, and other environmental particulars so that mistakes might be avoided.

The propositions range from 200 to 2,000 acres, some with cash bonus of \$10,000 to \$25,000, and each worth from \$50,000 to \$100,000. We confidently believe that out of these choice locations (and others that may be investigated) a highly desirable site may be secured with a total initial value of \$100,000 to \$200,000. In addition to what the selected community may pay, we have reason to believe that, as soon as the location is definitely settled, we have large visioned men who will contribute liberally and when choice lots are offered from \$200,000 to \$400,000 may be realized from their sale.

As the question is studied the conviction deepens that there is a positive and growing need for this enterprise and that it can be developed to proportions hitherto unsuspected. We feel that this is our day of opportunity and that the interest and enthusiasm awakened should not be lost, but that we should take the steps necessary to launch the movement and carry it to complete success.

In order that there may be perfect harmony of plans, we recommend that each Conference adopt the following resolutions, which are intended to safeguard every interest:

The Annual Conference of the Methodist Episcopal Church, South, resolves:

(1) That an Assembly West of the Mississippi River is needed by our people and should be established as speedily as practicable.

(2) That it should be so organized and developed as to care for the summer, or vacation activities of our Sunday School, Missionary, Epworth League, Educational and other social and recreational interests.

(3) That we appoint (two names) as commissioners, who, together with two others from each of the patronizing conferences, shall be empowered to organize and to select a suitable site, making necessary contracts with communities and parties affected, but to create no financial obligation until further authorized by these conferences.

(4) That deeds to property shall secure it to our Church, but assurance is hereby given to the people whose offer may be accepted that their rights and interests shall be protected as far as is proper under the law of the Church, and that this Conference will support and encourage this Assembly as far as is consistent with other obligations.

(5) That commissioners are authorized to procure such charter as may be legal under the laws of the State and the rules of the Church, and to appoint such trustees as may by law be required, provided that the Conferences shall have the right to approve and remove and appoint trustees so that the Assembly shall always be under the control of our Church.

(6) That, while it is desirable that the proposed Assembly should open within two years, nevertheless its magnitude and importance require that every step should be taken with due deliberation.

Respectfully submitted,

A. C. MILLER, Chairman

J. T. ABERNATHY, Secretary

RESOLUTION OF THANKS

Resolved; That the sincere thanks of the Conference be given Rev. J. B. Swinney, pastor, the membership of our church, and to the citizens of the City of Windsor for the splendid entertainment given us during the session of this Conference. Everything has been done for our comfort. The pastor, J. B. Swinney, has been untiring in his efforts to provide for our every necessity. The mayor and the police department has been unusually thoughtful that every member and visitor to the Conference might have every possible protection from danger or accident of any kind. All the churches, and pastors of the City of Windsor, have shown us unusual consideration. We wish further to extend our thanks to the First National

Bank of Windsor, for their courtesy in handling our funds, to the Windsor Review for its full and accurate reports of the Conference work, and to the Ozark Advertising Company for furnishing us stationary of an exceptionally attractive character.

Resolved further; That we hereby express our thanks to Almighty God for the episcopal supervision of Bishop W. B. Murrah over our Conference during the last four years. We greatly appreciate the Bishop's patience, courtesy, and kindness to every member of the Conference, and pray that the blessings of heaven may rest upon him, and preserve him in health and strength for many years to come.

MEMOIR

JOHN R. STRONG

John R. Strong was born near California, Missouri, February 22, 1864. Died suddenly in the parsonage at Mount Washington, Missouri, in the evening of Aug. 3, 1921, in the fifty-seventh year of his life.

J. R. Strong and Miss Mildred Ellis were happily united in marriage November 28, 1894. She, with two of their three children, survive him to grieve for his going.

Early in life he was left an orphan, but heroically made his way to a place of usefulness and importance in the church. He attended college at Neosho, Missouri. Dr. C. C. Woods directing his early student life, giving him a good start.

John R. Strong was genuinely converted and received a definite call to the ministry. He was admitted, on trial, into the Southwest Missouri Conference in the fall of 1891, in which he remained, doing faithful and efficient work, until the day of his death. He began his ministry at Southwest City and concluded in the fullness of his splendid manhood, in Mount Washington, in Kansas City District.

During the thirty years of his faithful and heroic labors, he served Missions, Circuits, Stations and Districts, with more than ordinary success and acceptability. His administration in the affairs of the church was considerate and safe. He bore himself with that gentle grace that secured the highest respect of his brethren.

In his preaching he was clear and strong, seldom falling below a good standard. The teachings of the Bible and the Doctrines of Methodism were safe in his hands. His manly conduct accorded beautifully with a high standard of the Christian ministry. His efforts resulted in the conversions of souls and upbuilding of the church.

His going from us was sudden and all too soon, at it seems to us, and leaves us in grief, but not without hope, for we believe that Christ died and rose again and those who sleep in Him will God bring with Him. Peace to his memory.
